"Concession in the payment of Khesis due from the Slaughter house Contractors in the Kaira Dist"

Letter No. AD.I.C.3386/209(44-45) dt 20-2-45 from the DC Kaira Dist Recommending Concession in the payment of monthly Khesis by the Slaughter House Contractors.

1) Consequent on the passing of the "Bombay Meat Control Order 1943" the Slaughtering of animals & the Vending of meat in the Recognised Slaughterhouses of the Municipalities are prohibited for 2 days in a week. Some of the Slaughter House Contractors, say the DC, have represented that they have incurred loss owing to the enforcement of the above order & that they may be granted proportionate rebate in the payment of monthly Khesis to the Municipa

2) The DC recommends a rebate of 15% on the monthly Khesis for the period during which the Meat Control order is in force.

3) This is a general question. Recently the Calling for the opinion of the DC's & other heads of Departments, before the proposal of the DC Kaira Dist is taken into consideration

4) Since there is a contract in this behalf between the Contractor and the Board concerned, the former has to approach the latter for any concession hence the D.G. might suggest that the approach to the Board concerned has to be channelled forwarded to post, on the request of the contractor who might be asked to approach the Board. This is a matter which affects the finances & they should consider the question of the grant of any concession to the Contractor in the first instance.

Sir

I have the honour to state that consequent on the passing of the Mysore Meat Control Order 1945 the slaughtering of animals and the vending of meat in the several slaughterhouses of the Municipalities are prohibited for two days in a week Some of the contractors have represented that they have incurred loss owing to the enforcement of the Meat Control Order and that they may be granted proportionate rebate in the payment of monthly khists to the Municipality The slaughter houses will be closed not on account of any act on the part of the contractor and as a great deal of loss is incurred by them I am of opinion that some concession may be shown in the payment of khists A rebate of 15% on the monthly khists for the period during which the control order is in force seems to be quite reasonable I request that orders of Government in the matter may be kindly obtained and communicated
